WHY INTERNATIONAL EDUCATION ?

The role of foreign universities in shaping students into future leaders is well-known to all. Over the past two decades, however, student's mobility to foreign universities becomes an integral part of India's higher education landscape. With rising per capita income, more students from across India are able to participate in higher education abroad. The number of International students moving to Australia, Canada, New Zealand, Ireland, Singapore, United Kingdom and Europe has been increased for the past few years. English speaking natives, high quality educational facilities, multi-cultural environment and the hostile atmosphere Enhanced tolerance & respect for diversity, an increase in critical thinking skills, Development of civic responsibility, and increased engagement in life-long learning.

WHY MBBS ABROAD

MCI AND WHO APPROVED MEDICAL UNIVERSITIES

All Medical Universities are MCI and WHO approved and also approved by their respective national regulator of education, the student will be eligible to practice in India or any other country subject to fulfilment of the eligibility criteria.

LOW TUITION FEES

Studying MBBS in abroad is way cheaper than studying in MBBS India with the fees being as low as INR 15 to 25lakhsfor entire MBBS course. The college fees will be paid in yearly instalments. Therefore, you don't have to pay the entire fees at once.

NO DONATION

Apart from the low fee structure, there will be no donation for studying MBBS in abroad which is not the case for Indian private colleges. That is right, you will get MBBS admission without any donation.

MEDIUM OF INSTRUCTION IS ENGLISH

The medium communication will be in English for MBBS in Abroad. Teachers/lecturers will be adept in the language so as to facilitate learning. Students need not learn the local language for classroom learning.

GLOBAL JOB OPPORTUNITIES

MBBS in abroad open the doors of the world for you. You can practice anywhere in the world after completing your MBBS degree and complying with the eligibility criteria of the country of your choice where you wish to practice.

NURSES TO GERMANY

Are you a qualified B.Sc/GNM Nursing professional? If so, finding a job in Germany as a staff nurse is quite easy now as a shortage of 84,000 nurses is expected in Germany till 2020. For nurses who seeking for working in Germany, the real key to validating your nursing degree obtained from a recognized university in India is a B2 Level Certificate in German (Goethe, TELC, OSD). Our focus is on daily language dealing with work situations. Our aim is to make you communicate in German at general and a specialized level (health care) and to have a solid background in improving the language skills further at the workplace

IMMIGRATION SERVICE

AUSTRALIA A highly developed country and one of the wealthiest, Australia is the world's 12th-largest economy and has the world's fifth-highest per capita income. Australia is the world's sixth-largest country by total area. With the second-highest human development index globally, Australia ranks highly in many international comparisons of national performance, such as quality of life, health, education, economic freedom, and the protection of civil liberties and political rights. Migrating to Australia gives you an amazing opportunity as an individual and as family.

CANADA Canada is one of the world's top immigration destinations with over 200,000 new arrivals coming under the Canada Immigration system every year. Deciding to immigrate to Canada is a significant step in the lives of those who pursue this dream. Canada offers a number of options to those who want to work, study or migrate to Canada. There are a number of visa options available and they are points based where an individual scores points for age, work experience, education & English language. If you are interested in a permanent visa to Canada, you should consider Migration to Canada.

Immigration to Canada based on the skilled worker category, is a very popular visa programme and is intended for people with high levels of skills and experience. Canadian immigration also includes a special visa category for business immigrants. Citizenship and Immigration Canada, the Canadian Government's Immigration Department, also allows the province of Quebec to select immigrants.

INDAUS came into existence to provide qualitative, quantitative and cost effective solutions for students wishing to study abroad.
